### DEMOCRATS WIN IN NINTH.

LOUISVILLE, KY., Nov. 7.—It is tacitly confessed by both sides late tonight that Bryan will carry Kentucky by a narrow margin, and interest centers in the governorship, which both continue to claim.

Practically complete returns of the congressional districts indicate that the republicans carried the fifth and eleventh and lost in the ninth on the face of the returns.

Rhea will have a majority in the third, but wholesale frauds, involving fully 1,000 votes, are alleged, and Moss is already preparing a contest.

From appearances Kehoe wins in the ninth by 200, Gilbert in the eighth by 800. Pugh will likely contest Kehoe's seat.

### CHAIRMAN COMBS CONFIDENT.

Republican Chairman Combs tonight says: "We will have a clear majority for Yerkes on the face of the returns of 2000, and there are 1600 republican ballots which are contested on technicalities and which will be counted for us. We have no figures on the presidential race."

O'Rear wins by 4,800. Moss was certainly elected in the third, but may be counted out by frauds, and hundreds of Republican ballots were withheld in Warren and Logan."

Authentic returns were received tonight as follows:

Counties giving republican majorities: Adair 285, Leslie 1,090, Laurel 1,018, Clay (estimated) 1,040, Jackson (estimated) 1,400, Jackson (estimated) 1,400, Greene 161, Magoffin 376.

Giving democratic majorities: Nelson (one precinct out) 1,040.

The chief fear of the republicans is that, as every county board is in the hands of the democrats, the returns will be held back in the democratic strongholds until the mountains are heard from, and then that padding will be attempted.

Good morning, Gov. Beckham.

### VOTE IN KNOTT AND PERRY.

JACKSON, NOV. 7.—Knott gives Bryan 1,001, McKinley 468, Beckham 998, Yerkes 470, Hall 998, O'Rear 470; White, for congress, 980; Hopkins, for congress, 475.

Perry county gives McKinley 535 majority, O'Rear 525 majority and Yerkes 535 majority.

## It's Easy To Take

Thin, pale, anæmic girls need a fatty food to enrich their blood, give color to their cheeks and restore their health and strength. It is safe to say that they nearly all reject fat with their food.

### SCOTT'S EMULSION OF COD LIVER OIL

WITH HYPOPHOSPHITES OF LIME & SODA

is exactly what they require; it not only gives them the important element (cod-liver oil) in a palatable and easily digested form, but also the hypophosphites which are so valuable in nervous disorders that usually accompany anæmia.

SCOTT'S EMULSION is a fatty food that is more easily digested than any other form of fat. A certain amount of flesh is necessary for health. You can get it in this way.

We have known persons to gain a pound a day while taking it.

50c. and \$1.00, all druggists. SCOTT & BOWNE, Chemists, New York.

### VOTE IN BREATHTT.

JACKSON, NOV. 7.—In Breathitt county Bryan received 1,550 votes, Beckham 1,559, Hall 1,558, McKinley 833, Yerkes 827, O'Rear 835, for congress, White (dem.) 1,551, Hopkins (rep.) 833.

### RETURNS HELD BACK.

FRANKFORT, KY., November 7.—The Kentucky governorship is still being claimed by both parties at the State capital, the democrats claiming advices showing Beckham's election by from 4,500 to 6,000, while the republicans claim the election of Yerkes by 2,500. The independent voters are charging that the republicans are holding back returns in the Eleventh district; that the democrats have done likewise in the First. Republican and democratic strongholds, respectively, each waiting for the other side to make a show-down, and that this is responsible for the delay in ascertaining the result.

### BECKHAM'S MAJORITY 4,000.

LOUISVILLE, KY., Nov. 7.—The Courier-Journal's returns from 1,700 out of 1,884 precincts in Kentucky puts Bryan's majority at 800, and Beckham, democrat for governor, at 4,000. These majorities are both considerably smaller than those claimed for the democratic candidates, but the remaining precincts are for the most part democratic, and it is expected will show increased majorities for Bryan and Beckham.

According to special dispatches to the Courier-Journal the election of Kehoe, democrat, over Pugh, republican, in the Ninth congressional district by a majority of 250 is conceded.

### BELL COUNTY'S VOTE.

PINEVILLE, KY., Nov. 7.—The official count of Bell county gives McKinley 2,075; Bryan, 722; Yerkes, 2,077; Beckham 725.

Rah for Beckham and Kentucky.

Bryan Goes Up the Spout!

### BECKHAM 5,000 AHEAD.

CINCINNATI, Nov. 7.—A Western Union bulletin tonight about Kentucky says: Returns from 75 counties complete, or nearly complete, embracing 1,215 precincts out of a total of 1,877 precincts in the state give Bryan 157,759; McKinley, 137,245. Beckham, 154,006; Yerkes, 138,877. Of 44 counties not heard from 16 gave in the last presidential race 7,243 Democratic plurality, and 18 gave 19,527 republican plurality.

### BECKHAM CLAIMS IT BY 5,000.

LOUISVILLE, Nov. 7.—Gov. Beckham said tonight at democratic headquarters, "I am absolutely certain I am elected by a majority of between 5,000 and 10,000."

The Courier-Journal puts Bryan's majority at 8,784 and Beckham's at about 4,068, with 62 precincts to hear from.

## ANNOUNCEMENTS.

For Representative-Dist. District.

**CECIL**—We are authorized to announce JAMES B. CECIL, of Morgan county, as a candidate for Representative to the Legislature for Morgan and Wolfe counties, subject to the action of the Democratic party.

The election on Tuesday was a surprise to a great majority of the democratic party, at least, and those supposed to know the most, were apparently the worst fooled. From the east came the most encouraging reports for the success of the democratic party, and when the news was flashed over the wires that McKinley and the republican party had won everything in sight it hurt and hurt badly. But the only thing that could be done was to accept the situation, on the principle of the old man, who, asked if his son, who had just died, was ready to go, replied, "Willing or no willing he had her to cut," and whether the democrats were willing or not, they had her to cut. That there is absolutely no reliance to be placed in partisan papers and their predictions is self evident.

The prediction of THE HERALD last week was this week verified with regard to the election of Hon. Ed. C. O'Rear, and his majority is something like 4,000. But we were away off in regard to Mr. Bryan, whom we honestly believed at that time would sweep the country. These instances show that we are neither prophet nor the son of a prophet.

The new house of representatives will probably be as follows: Republicans, 199; democrats, 151; fusionists, 5; populists, 2. Total, 357; republican majority, 41.

BRYAN carried Wolfe county by 237, which is a democratic loss of 157. He and Beckham ran about even.

Arbury Brooks, who has been in Menefee for sometime, was in town Monday.

Senator Jones, Democratic Chairman.

We met the enemy Tuesday, and they outnumbered us almost two to one, and gave us such a thrashing that will long be remembered by the democratic party.

## "WHITAR" ONLY WHITE TAR SOAP IN THE WORLD.

Whitar Soap is a luxurious and purified toilet soap and superior to the old black tar soaps in every way. It contains all the healing and antiseptic properties of the black tar soaps, with entire freedom from their objectionable features. It soils neither towel nor wash bowl, for its lather is non-staining. It lathers in hard or soft water far more freely than other tar soaps, and, being 100 per cent. pure, outlasts any of "the filled" soaps of equal size. It contains much more glycerine than other soaps, and this together with its soft thick lather make it a king among shampoo soaps. In the treatment of skin, scalp and hair diseases, aggravated cases of dandruff, scald head, falling hair, etc., Whitar is highly recommended. Physicians recommend it for babies' baths, and in cases of chafe or heat rash, the soap is peculiarly efficacious.

Hazel Green Academy.

Hazel Green Academy is enjoying the most prosperous fall term of any in her history. The enrollment and the daily attendance are much better than any had anticipated, and most of the pupils are doing good honest work in their studies. The prospects are bright for the winter and spring term. Many from other counties will be in attendance then. The annual enrollment will far exceed any prior enrollment, and the friends of our Academy may well be encouraged. The conference held in Kansas City some day ago, between some of the officers of the C. W. B. M. and Wm. H. Cord, was encouraging for the future of Hazel Green academy. Friend, are you doing your part for the welfare of the institution? Are you urging young men and women to attend this school? Many private schools will spring up during the winter months, but they will have only one teacher, with poor facilities, and will continue only a few weeks, you cannot afford to send your children to them, if you can possibly send them to Hazel Green academy. Private subscription—winter schools have their mission—let them have their place, but you patronize the best school, even at a sacrifice.

## Bible Institute Postponed.

## Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes.

The kidneys are your blood purifiers, they filter out the waste or impurities in the blood. If they are sick or out of order, they fail to do their work. Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries.

It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle by mail. Home of Swamp-Root, free, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y.

While on our way home from Breathitt last week, we called at the house of a stranger to make some inquiries, and the good lady of the house asked our name, and on being told, she exclaimed, Oh! are you the one that writes for THE HERALD? We told her that we were, and she said, "Well I feel like I am acquainted with you for I read all your letters." I was so glad to learn that the dear old paper had such a wide circulation. That good lady treated us to some nice apples, and we came on our way rejoicing until we reached the dearest spot on earth, "Home Sweet Home."

### DEMOCRATS WIN IN NINTH.

LOUISVILLE, KY., Nov. 7.—It is tacitly confessed by both sides late tonight that Bryan will carry Kentucky by a narrow margin, and interest centers in the governorship, which both continue to claim.

Practically complete returns of the congressional districts indicate that the republicans carried the fifth and eleventh and lost in the ninth on the face of the returns.

Rhea will have a majority in the third, but wholesale frauds, involving fully 1,000 votes, are alleged, and Moss is already preparing a contest.

From appearances Kehoe wins in the ninth by 200, Gilbert in the eighth by 800. Pugh will likely contest Kehoe's seat.

### CHAIRMAN COMBS CONFIDENT.

Republican Chairman Combs tonight says: "We will have a clear majority for Yerkes on the face of the returns of 2000, and there are 1600 republican ballots which are contested on technicalities and which will be counted for us. We have no figures on the presidential race."

O'Rear wins by 4,800. Moss was certainly elected in the third, but may be counted out by frauds, and hundreds of Republican ballots were withheld in Warren and Logan."

Authentic returns were received tonight as follows:

Counties giving republican majorities: Adair 285, Leslie 1,090, Laurel 1,018, Clay (estimated) 1,040, Jackson (estimated) 1,400, Jackson (estimated) 1,400, Greene 161, Magoffin 376.

Giving democratic majorities: Nelson (one precinct out) 1,040.

The chief fear of the republicans is that, as every county board is in the hands of the democrats, the returns will be held back in the democratic strongholds until the mountains are heard from, and then that padding will be attempted.

Good morning, Gov. Beckham.

### VOTE IN KNOTT AND PERRY.

JACKSON, NOV. 7.—Knott gives Bryan 1,001, McKinley 468, Beckham 998, Yerkes 470, Hall 998, O'Rear 470; White, for congress, 980; Hopkins, for congress, 475.

Perry county gives McKinley 535 majority, O'Rear 525 majority and Yerkes 535 majority.

## It's Easy To Take

Thin, pale, anæmic girls need a fatty food to enrich their blood, give color to their cheeks and restore their health and strength. It is safe to say that they nearly all reject fat with their food.

### SCOTT'S EMULSION OF COD LIVER OIL

is exactly what they require; it not only gives them the important element (cod-liver oil) in a palatable and easily digested form, but also the hypophosphites which are so valuable in nervous disorders that usually accompany anæmia. SCOTT'S EMULSION is a fatty food that is more easily digested than any other form of fat. A certain amount of flesh is necessary for health. You can get it in this way.

We have known persons to gain a pound a day while taking it.

50c. and \$1.00, all druggists. SCOTT & BOWNE, Chemists, New York.

### VOTE IN BREATHT.

JACKSON, NOV. 7.—In Breathitt county Bryan received 1,550 votes, Beckham 1,559, Hall 1,558, McKinley 833, Yerkes 827, O'Rear 835, for congress, White (dem.) 1,551, Hopkins (rep.) 833.

### RETURNS HELD BACK.

FRANKFORT, KY., November 7.—The Kentucky governorship is still being claimed by both parties at the State capital, the democrats claiming advices showing Beckham's election by from 4,500 to 6,000, while the republicans claim the election of Yerkes by 2,500. The independent voters are charging that the republicans are holding back returns in the Eleventh district; that the democrats have done likewise in the First. Republican and democratic strongholds, respectively, each waiting for the other side to make a show-down, and that this is responsible for the delay in ascertaining the result.

### BECKHAM'S MAJORITY 4,000.

LOUISVILLE, KY., Nov. 7.—The Courier-Journal's returns from 1,700 out of 1,884 precincts in Kentucky puts Bryan's majority at 800, and Beckham, democrat for governor, at 4,000. These majorities are both considerably smaller than those claimed for the democratic candidates, but the remaining precincts are for the most part democratic, and it is expected will show increased majorities for Bryan and Beckham.

According to special dispatches to the Courier-Journal the election of Kehoe, democrat, over Pugh, republican, in the Ninth congressional district by a majority of 250 is conceded.

### BELL COUNTY'S VOTE.

PINEVILLE, KY., Nov. 7.—The official count of Bell county gives McKinley 2,075; Bryan, 722; Yerkes, 2,077; Beckham 725.

Rah for Beckham and Kentucky.

Bryan Goes Up the Spout!

### BECKHAM 5,000 AHEAD.

CINCINNATI, Nov. 7.—A Western Union bulletin tonight about Kentucky says: Returns from 75 counties complete, or nearly complete, embracing 1,215 precincts out of a total of 1,877 precincts in the state give Bryan 157,759; McKinley, 137,245. Beckham, 154,006; Yerkes, 138,877. Of 44 counties not heard from 16 gave in the last presidential race 7,243 Democratic plurality, and 18 gave 19,527 republican plurality.

### BECKHAM CLAIMS IT BY 5,000.

LOUISVILLE, Nov. 7.—Gov. Beckham said tonight at democratic headquarters, "I am absolutely certain I am elected by a majority of between 5,000 and 10,000."

The Courier-Journal puts Bryan's majority at 8,784 and Beckham's at about 4,068, with 62 precincts to hear from.

# THE HERALD.

SPENCER COOPER, : : : Editor.

HAZEL GREEN, KY.

THURSDAY, November 8, 1900.

## ANNOUNCEMENTS.

For Representative-Dist. District.

**CECIL**—We are authorized to announce JAMES B. CECIL, of Morgan county, as a candidate for Representative to the Legislature for Morgan and Wolfe counties, subject to the action of the Democratic party.

The election on Tuesday was a surprise to a great majority of the democratic party, at least, and those supposed to know the most, were apparently the worst fooled. From the east came the most encouraging reports for the success of the democratic party, and when the news was flashed over the wires that McKinley and the republican party had won everything in sight it hurt and hurt badly. But the only thing that could be done was to accept the situation, on the principle of the old man, who, asked if his son, who had just died, was ready to go, replied, "Willing or no willing he had her to cut," and whether the democrats were willing or not, they had her to cut. That there is absolutely no reliance to be placed in partisan papers and their predictions is self evident.

The prediction of THE HERALD last week was this week verified with regard to the election of Hon. Ed. C. O'Rear, and his majority is something like 4,000. But we were away off in regard to Mr. Bryan, whom we honestly believed at that time would sweep the country. These instances show that we are neither prophet nor the son of a prophet.

The new house of representatives will probably be as follows: Republicans, 199; democrats, 151; fusionists, 5; populists, 2. Total, 357; republican majority, 41.

BRYAN carried Wolfe county by 237, which is a democratic loss of 157. He and Beckham ran about even.

## "I Told You So."

Hon. A. H. Stamper, of Camp-ton, was in town Monday mingling with his friends.

Arbury Brooks, who has been in Menefee for sometime, was in town Monday.

Senator Jones, Democratic Chairman.

We met the enemy Tuesday, and they outnumbered us almost two to one, and gave us such a thrashing that will long be remembered by the democratic party.

## "WHITAR" ONLY WHITE TAR SOAP IN THE WORLD.

Whitar Soap is a pure and purified soap, and is superior to the old black tar soaps in every way. It contains all the healing and antiseptic properties of the black tar soaps, with entire freedom from their objectionable features. It soils neither towel nor wash bowl, for its lather is non-staining. It lathers in hard or soft water far more freely than other tar soaps, and, being 100 per cent. pure, outlasts any of the "filled" soaps of equal size. It contains much more glycerine than other soaps, and this together with its soft thick lather make it a king among shampoo soaps. In the treatment of skin, scalp and hair diseases, aggravated cases of dandruff, scald head, falling hair, etc., Whitar is highly recommended. Physicians recommend it for babies' baths, and in cases of chafe or heat rash, the soap is peculiarly efficacious.

Hazel Green Academy.

Hazel Green Academy is enjoying the most prosperous fall term of any in her history. The enrollment and the daily attendance are much better than any had anticipated, and most of the pupils are doing good honest work in their studies. The prospects are bright for the winter and spring term. Many from other counties will be in attendance then. The annual enrollment will far exceed any prior enrollment, and the friends of our Academy may well be encouraged. The conference held in Kansas City some day ago, between some of the officers of the C. W. B. M. and Wm. H. Cord, was encouraging for the future of Hazel Green academy. Friend, are you doing your part for the welfare of the institution? Are you urging young men and women to attend this school? Many private schools will spring up during the winter months, but they will have only one teacher, with poor facilities, and will continue only a few weeks, you cannot afford to send your children to them, if you can possibly send them to Hazel Green academy. Private subscription—winter schools have their mission—let them have their place, but you patronize the best school, even at a sacrifice.

The price is 50 cents, by mail; address the publishers, Wilmer Atkinson Co., Philadelphia.

## Bible Institute Postponed.

On account of sickness in the family of Prof. B. C. Deweese, we have decided to postpone our Bible Institute. No one will regret this more than our beloved instructor, B. C. Deweese. All who heard him last year are anxious to hear him again, and we postpone the Institute that he may again be our instructor. The time for the Institute will be announced in the future. I will notify each preacher and church officer just when it will be. Remember it will not be in this month. Wm. H. Cord, Prin.

## Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes.

The kidneys are your blood purifiers, they filter out the waste or impurities in the blood. If they are sick or out of order, they fail to do their work. Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries.

It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle by mail. Home of Swamp-Root, free, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y.

While on our way home from Breathitt last week, we called at the house of a stranger to make some inquiries, and the good lady of the house asked our name, and on being told, she exclaimed, Oh! are you the one that writes for THE HERALD? We told her that we were, and she said, "Well I feel like I am acquainted with you for I read all your letters." I was so glad to learn that the dear old paper had such a wide circulation. That good lady treated us to some nice apples, and we came on our way rejoicing until we reached the dearest spot on earth, "Home Sweet Home."

## FINE SHOES,

I have just received the finest line and greatest variety of  
LADIES' AND GENTS' BOOTS AND SHOES

ever brought to the mountains, and having bought them before the recent rise in leather, I am prepared to save my customers money on every purchase they make. I want the ladies, especially, to examine my stock. For the price, I can show them a front-lace shoe that is a world-beater. It is, indeed, a beauty, and to the touch makes one feel that the shoemaker got hold of the kid-glove stock.

Respectfully,

JOHN M. ROSE.
